CHURCH WORKDAY

FEBRUARY 18, 8:00 - 12:00

Pastor's Point

Robert L. Dodridge, Pastor

Dear family,

This past Sunday, February 5, was the day of the "Big Game"! (Although I am writing on February 2, you will not be reading this until after that special event has taken place.) I am told by the powers that be, because it is a trademarked name, I cannot use it in print. So, you will have to use your imagination! It is the S_____ B_____! In fact, some churches have been fined by the NFL for using that name to advertise a special gathering to watch the game and have some fellowship! It pits the New England Patriots against the New York Giants.

Well, we could say that "S" stands for Southern and "B" stands for Baptist; thus we have the *Southern Baptist Bowl*. Just a thought!

The teams will give their best and play their hardest in order to be crowned with the title "World Champions". Although both will play to win, only one team will win.

Last Sunday in Hawaii, the best of all the NFL teams met in the Pro Bowl. (I *can* use that name!) The quarterback of the Green Bay Packers who led the NFC against the AFC, Aaron Rodgers, said after the game that he was disappointed with some of the Pro Bowl players, who didn't seem to give their best. "They didn't take the game seriously, weren't passionate." If you look at the score, (AFC 59: NFC 41), his assessment is probably right on. He continued by saying, "They embarrassed themselves." That is a stinging indictment; and I am sure Mr. Rodgers will hear about his candid remarks, honest though they were.

What will our Lord say about how we play in the *Southern Baptist Bowl*? That is, how do we do the Christian life as Baptists and how do we do church? I know that I do not want to be an embarrassment and I suspicion you join me in that desire. Let's give our very best. Let's continue to learn and grow as we seek opportunities to "play the game" for His glory, not ours. And please understand, it is **NOT** a *game* and we are **NOT** to *play* at it. As a believer, you are already a "winner"! Act like it, and play like it.

Student Point

Sean Reynolds, Student Pastor

Hello, Church Family,

I wanted to tell you about our winter camp experience and to thank you for supporting and praying for our youth. First, we had a great group of students at camp. We took nine high school students to Williams, along with my wife, Bethany, and myself. Everyone had a great time! The students listened and connected with the speaker as he challenged them to take their faith more seriously. There were also breakout sessions on various topics. All of our students went to the discussion on love and relationships. This had a tremendous impact on many of the students because it helped them to develop a more biblical perspective on those issues. I believe it really encouraged and challenged them to put God first in any relationship they have and to remain pure. I was encouraged because we all opened up and talked together as a group for several hours one night. Many issues were brought up and the students shared freely about some of the struggles and their desire to grow individually and as a group. I felt like it was an important time for all of us to bond together. I am very thankful for Bethany and the way she connected with the girls in the group and had great conversations. She was able to discuss many of the issues they face and to encourage and challenge them in their faith. The students were a little disappointed that there wasn't any snow; but we found snow the last morning when we woke up as it had snowed all night long! It was a great blessing from God as we enjoyed His beautiful creation.

Again, I thank you for your prayers and encouragement to our students. God bless, Pastor Sean
