Pastor's Point

Robert L. Dodridge, Pastor

Dear Family,

Only a few short weeks removed from Christmas and we stand on the threshold of the greatest of all events in recorded history...the resurrection of our Lord Jesus Christ! A little baby in a manger, yes! But more, a *living* Savior!

In one of the Christmas carols that we share each year the writer penned the simple but moving words, "Born to die, that man may live". The manger, the Christmas event was a necessary precursor to...**the cross**. The cross...the place where Jesus would fulfill His life work, His mission, His destiny...die, that man might live!

Greg Laurie, writing in *Leadership Magazine*, said that he once interviewed Billy Graham and asked this question: "If you had known when you were a younger preacher what you know now, would your sermons have emphasized something different?" Graham replied, "I would have preached more on the cross of Christ and the blood...because that's where the power is."

As we make our preparation, as I make mine, the message series that begins on March 21 is titled: *Where Does the Cross...Point?* The adult worship choir will open Easter Sunday morning with songs from the musical entitled "*On a Hill Too Far Away*". Would you join me in praying for the power of the cross, the power of the blood to be evident in our church and in our lives as we prepare for and celebrate the greatest news ever: He died, yes! He rose again, YES! He is coming again, amen!

He lives, He lives...Christ Jesus lives (and so can you!) Let's meet at the cross and celebrate at the empty tomb!
